

# I-890 Exit 4C PEL Study

## City of Schenectady

### Project

I-890 Exit 4C Planning and Environmental Linkages Study (PEL) Study

### Purpose

The purpose of the PEL Study is to develop a vision for the Study Area through a collaborative, data-driven and public engagement-focused process that will seek to improve mobility and quality of life for those who live, work, study, and travel through the area. The Study will evaluate the engineering feasibility and environmental impact of various transportation concepts for improving traffic flow and safety at I-890 Exit 4C.
