A RESOLUTION APPROVING CAPITAL BUDGET AMENDMENTS FOR THE PURCHASE OF PLOW TRUCKS BY THE DEPARTMENT OF PUBLIC WORKS

**Purpose and General Idea:**

Provides Authorization to Amend the 2024 Capital Budget for the Replacement of Six (6) Plow Trucks

**Summary of Specific Provisions:**

Authorizes the Amendment of the 2024 Capital Budget in the amount of \$113,377 for the Replacement of three tandem plow trucks and three single axle plow trucks. This ask includes 2020 leftover Capital Project Dump Truck Funds and the additional ask of \$113,377 to cover the overages for the new (6) trucks.

**Effects Upon Present Law:**

The Schenectady County Department of Finance provides the following amendment to the County's 2024 Capital Budget increasing the following project appropriations to reflect current pricing.

-------	----------------------	------------

I recommend that this budget amendment be presented to the Schenectady County Legislature for consideration.

**Justification:**

Increased costs are associated with steel and the manufacturing and delivery of vehicle components. The County's snowplow supplier, Tenco, has informed the County that they can possibly provide all 6 trucks December 2024, as opposed to waiting the 18+ month lead time associated with other dealers.

Attached is a memorandum from Paul Sheldon, Director of Public Works, requesting authorization to amend the 2024 Capital Budget for the replacement of three (3) tandem plow trucks and (3) single axle plow trucks. Mr. Sheldon indicates that the increased costs associated with steel and the manufacturing and delivery of vehicle components.

2020 leftover Capital Project Dump Truck Funds and an additional ask of \$113,377 to cover the overages for the new (6) trucks are requested from the Legislature. The County's snowplow equipment supplier, Tenco, has fortunately informed the Department of Public Works that they can possibly provide all six plow trucks December 2024, as opposed to the usual 18-month lead time.

The attached memorandum from Jaclyn Falotico, Commissioner of Finance, details the necessary budget amendment.

I recommend your approval.

## Schenectady County Inter-Department Memorandum

**DATE:** January 4, 2024

**TO:** Rory Fluman, County Manager

**FROM:** Paul Sheldon, P.E., Director of Public Works

**COPIES:** File

**SUBJECT:** Fleet Budget Amedment

PSS

The 2023 and 2024 budget allocation for the Department of Engineering and Public Works snowFleet incorporates the replacement of three (3) tandem plow trucks and (3) single axle plow trucks, aimed at updating our aging plow truck fleet. Our existing snowplow fleet primarily comprises International trucks, fostering a favorable relationship with the manufacturer and dealers during both the procurement and maintenance phases. However, given the heightened demand and constrained supply of these vehicles, order banks for 2023 have already closed, and a similar scenario may unfold in 2024. Despite our efforts to explore alternative truck manufacturers, we encounter either the same challenges or costs exceeding our budget constraints.

Recently, our snowplow equipment supplier, Tenco, informed us of a turnkey agreement with International. This arrangement enables Tenco to directly acquire trucks from International and then customize them for our snowplow operations. Tenco has a limited allocation of trucks, and they anticipate rapid depletion of this allocation. They have provided quotes for all six plow vehicles required for both last year's and this year's budgets. Notably, Tenco offers a swift delivery timeline, with the possibility of trucks arriving as early as this December, in stark contrast to the 18+ month lead times associated with other dealers.

Tenco also highlighted that the costs of trucks have seen a significant surge due to increased steel prices and escalating manufacturing and delivery expenses for vehicle components. The County currently earmarks \$860,000.00 in the 2023 capital budget and another \$860,000.00 in the 2024 budget for a total of \$1,720,000.00 to cover the acquisition of three plow trucks each year. However, Tenco's quote for all six trucks, including plows and dump bodies, amounts to \$1,860,513.00. Additionally, we need to factor in the costs of equipping all six pieces of equipment with auto-chains and radios, which adds an extra \$42,840.00 to the overall vehicle expenses.

A summary of the truck replacement costs is as follows:

	<b>2023 Capital (2) Tandems (1) Single Axle</b>	<b>2024 Capital (1) Tandem (2) Single Axles</b>
Truck Costs w/ Plow and Dump Body	\$948,515.00	\$911,995.00
Auto Chains	\$ 18,900.00	\$ 18,900.00
Radlos	\$ 2,520.00	\$ 2,520.00
<b>Total</b>	<b>\$969,935.00</b>	<b>\$933,415.00</b>

Current Budget	\$860,000.00	\$860,000.00	
Additional Funding Needed	\$109,935.00	\$ 73,415.00	<b>Total \$183,350.00</b>

The six trucks slated for replacement have an average age of almost 14 years. In the previous year alone, these trucks necessitated over \$120,000.00 in repairs to ensure their roadworthiness for another winter season. The imperative to replace our vehicle fleet is driven by the essential need to maintain coverage for our 21 plow routes, encompassing State and County Roads. Ensuring the reliability of our winter maintenance operations and addressing the mounting repair costs make the timely replacement of these trucks a crucial step in sustaining the effectiveness of our snowplow services.

We recommend your approval.

Tenco Industries is pleased to offer you the following information at your request:

To Whom it May Concern,

Regarding truck and equipment price increases, we are all aware of price increases in every industry. We see it every day in our daily lives. Unfortunately, the trucking / snow and ice industry is no exception. There are several reasons for price increases over the past several years which include supply chain issues, increased cost of raw materials, increased costs in purchased components (engines, transmissions, tires, hydraulics, lighting, ect.) and increased labor costs.

If you have any questions or concerns, please feel free to contact me.

Sincerely,

Glenn F. Plaisted

**Title of Proposed Resolution:**

A RESOLUTION CALLING A PUBLIC HEARING ON A COMMUNITY DEVELOPMENT BLOCK GRANT RECEIVED BY SCHENECTADY COUNTY

**Purpose and General Idea:**

Provides Authorization to Call for a Public Hearing Regarding The Administration of Community Development Block Grant (CDBG) CARES Project

**Summary of Specific Provisions:**

Authorizes the calling for a public hearing regarding the administration of the Community Development Block Grant (CDBG) CARES Project. In 2021, Schenectady County applied for a Community Development Block Grant (CDBG) CARES Act program using CDBG funds to provide air quality improvements to public housing or qualified public facilities in CDBG-eligible zones. The County received \$2,226,010 in funding in 2022 for the Schenectady County Air Quality Improvements in Public Facilities and Housing Project. As the grant is ending, with the projects completed as follows:

Better Community Neighborhoods, Inc. (BCNI):  
Parkside View Apartments (owned by The Community Builders) – \$1,200,000

Schenectady County:  
Mont Pleasant Branch Library – \$33,438.44  
Bornt Branch Library – \$33,438.44  
Karen B. Johnson Library – \$754,476.08  
Glendale Home – \$27,485.07

The remaining funds were used for grant administration and program delivery. This project was spearheaded by the County Manager's Office and Facilities with Jackie Falotico and Erin Reich responsible for its completion.

**Effects Upon Present Law:**

None.

**Justification:**

This public hearing will be held on February 5, 2024 in compliance with the requirements of this grant funding.

**RE:** Call for a Public Hearing – Community Development Block Grant (CDBG)  
CARES Project

---

In 2021, Schenectady County applied for a Community Development Block Grant (CDBG) CARES Act program using CDBG funds to provide air quality improvements to public housing or qualified public facilities in CDBG eligible zones. We were successful and subsequently received \$2,226,010 in funding in 2022 for the Schenectady County Air Quality Improvements in Public Facilities and Housing Project. The grant is coming to a close, with the projects completed as follows:

Better Community Neighborhoods, Inc. (BCNI):  
Parkside View Apartments (owned by The Community Builders) – \$1,200,000

Schenectady County:  
Mont Pleasant Branch Library – \$33,438.44  
Bornnt Branch Library – \$33,438.44  
Karen B. Johnson Library – \$754,476.08  
Glendale Home – \$27,485.07

The remaining funds were used for grant administration and program delivery. This project was spearheaded by the County Manager's Office and Facilities with Jackie Falotico and Erin Reich responsible for its completion.

At this time, I am requesting a call for a public hearing at the February Legislative Committee meeting in compliance with the requirements of this grant funding.
