### **I-890 Exit 4C PEL Study**

**A Vision for the Future Improvement of  
I-890 Exit 4C and the State Street / Washington Avenue Intersection**

The Schenectady County Department of Engineering and Public Works is preparing a Transportation Planning and Environment Linkages Study (PEL Study) for I-890 Exit 4C Area in the City of Schenectady. The intent of this meeting is to gather public feedback on the key transportation issues, priorities, and environmental concerns in the Study Area. The public outreach process will help the County prioritize future projects and consider a wide range of alternatives that will improve mobility and quality of life for those who live, work, study, and travel within the area.
