DMV PARKING LOT DRAINAGE REPAIRS PROJECT

ADDENDUM #2

Date: 09/16/2024

The purpose of this addendum is to provide detailed information to all Bidders. This addendum is hereby included in and made part of the Contract Documents, whether or not attached thereto. Receipt of this Addendum must be acknowledged on the bid form.

The following documents is hereby included in the documents posted on Bidnet and provided to plan holders:

CONTENTS/ RESPONSE TO QUESTIONS/ REFERENCE TO ATTACHMENTS

General:

1. This addendum provides important information regarding the project.

BID – Request for Information and Response:

1. Work within the Shirley Drive public way and connection to the city's stormwater infrastructure will require the contractor to file a work permit with the city codes office. The contractor is responsible for all fees, bonding, and insurance necessary to file the work permit.
 - a. The county will help facilitate the quick turnaround of the city permit(s) to the best of its ability.
2. Work Zone Traffic Control (WZTC) is the responsibility of the contractor while conducting work in the public way (Shirley Drive).
3. Testing as described in the specifications, will be contracted, and paid for by the County. The contractor is responsible for coordinating with the County's selected testing agency for scheduling, allowing unfettered access to the project site, and to allow test/reporting to be conducted.

Please acknowledge this addendum on your bid form
