

**REQUEST FOR QUALIFICATIONS  
RFQ-2021-30  
AIRPORT CONSULTANT SERVICES**

The County of Schenectady will be accepting qualifications from airport consultants to provide planning, design, and construction administration services for future projects over a five year term. The Schenectady County Airport participates in the FAA Airport Improvement Program (AIP) and the New York State Department of Transportation (NYS-DOT) Grant Program. The Schenectady County Airport, a County-owned general aviation airport, is located three miles north of Schenectady, New York and consists of three asphalt runways and approximately 100 base aircraft. The estimated total construction value of the projects over the next five years is 19 million.

Specifications may be requested by calling, writing, or emailing:
